SUMMARY

Dynamic Full Stack Developer with a proven track record at CodexLancers, excelling in .NET and Angular technologies. Adept at delivering high-quality user interfaces and robust Web APIs, I effectively communicate with clients to ensure project success. Proficient in Python and passionate about AI applications, I continuously drive innovation and growth.

SKILLS

Python
Python Fundamentals, OOP, Functions & Modules, Exception Handling, File Handling

Data Science
NumPy, Pandas, Matplotlib

AI Applications
OpenAI API, AI Voice Assistant Development, Speech Recognition, Text-to-Speech (gTTS, pyttsx3)

Python Backend Development
FastAPI, REST API Development, Pydantic, API Validation, HTTP Methods & Status Codes

Backend Development
.NET Core, .NET MVC, C#, REST APIs, Entity Framework, ADO.NET, MVVM

Frontend Development
.Angular, TypeScript, HTML5, CSS3, Bootstrap, XAML

Database
Microsoft SQL Server (MSSQL), Stored Procedures, Firebase

TOOLS & PLATFORMS
Git, GitHub, GitLab, Postman, Thunder Client, Visual Studio, Docker, CI/CD

EXPERIENCE

- **Codex Lancers** **2022 - 2024**
  Jr. Full-Stack Developer (SDE-1)

PROJECTS

- **LinkERP**
  Optimized SQL Server stored procedures and database objects, resolved build and dependency issues, and improved legacy code across multiple inventory modules.
  Technologies & Tools: .NET C#, MSSQL, Angular, Third Party Payment APIs (Tax-Integration), Store Procedures

- **Friday Voice Assistant**
  Developed a Python voice assistant that understands spoken commands using speech recognition, generates responses with the OpenAI API, replies through text-to-speech, and fetches live headlines via News API.
  Technologies & Tools: Python, Speech-Recognition, OpenAI, gTTS, Pygame, News API, pyTTSx3, webbrowser

- **Book Library API**
  Built a Python REST API for managing a book library.
  Technologies & Tools: Python, FastAPI

EDUCATION

- **Master of Computer Application - 2024**
  SARVAJANIK COLLEGE OF ENGINEERING AND TECHNOLOGY

- **Bachelor ofComputerApplication - 2022**
  C.B.PATEL COMPUTER COLLEGE - VNSGU
